	)	
	)	
Warden McFadden,	)	
	)	
Respondent.	)	

---

A Petition for Writ of Habeas Corpus pursuant to 28 U.S.C. § 2254/2241 was submitted to the court by a state prison inmate appearing pro se. Pursuant to 28 U.S.C. § 636(b)(1)(B), and Local Civil Rule 73.02(B)(2)(c) (D.S.C.), this magistrate judge is authorized to review all pretrial matters in such pro se cases and to submit findings and recommendations to the district court. *See* 28 U.S.C. §§ 1915(e), 1915A (as soon as possible after docketing, district courts should review prisoner cases to determine whether they are subject to summary dismissal).

I. Factual Background

Mason Johnson (“Petitioner”) is a South Carolina inmate housed at Lieber Correctional Institution. This is Petitioner’s second attempt to pursue a § 2254 petition in this court challenging his 2010 York County convictions for second-degree burglary and grand larceny. *See Johnson v. McFadden*, No. 5:14-4024-JMC. The first petition was served on Respondent, but, despite being given warnings about his need to do so, Petitioner failed to respond to Respondent’s motion for summary judgment. As a result, the petition was dismissed with prejudice for failure to prosecute. Fed. R. Civ. P. 41(b). There is no indication in the Petition now under review that Petitioner received authorization from the Fourth Circuit Court of Appeals before filing this case.

## II. Standard of Review

Under established local procedure in this judicial district, a careful review was made of the pro se Petition filed in this case. The review was conducted pursuant to the procedural provisions of 28 U.S.C. §§ 1915, 1915A, and the Anti-Terrorism and Effective Death Penalty Act of 1996, and in light of the following precedents: *Denton v. Hernandez*, 504 U.S. 25 (1992); *Neitzke v. Williams*, 490 U.S. 319, 324-25 (1989); *Haines v. Kerner*, 404 U.S. 519 (1972); *Nasim v. Warden, Md. House of Corr.*, 64 F.3d 951 (4th Cir. 1995); *Todd v. Baskerville*, 712 F.2d 70 (4th Cir. 1983); *Boyce v. Alizaduh*, 595 F.2d 948 (4th Cir. 1979).

This court is required to construe pro se petitions liberally. Such pro se petitions are held to a less stringent standard than those drafted by attorneys, *Gordon v. Leeke*, 574 F.2d 1147, 1151 (4th Cir. 1978), and a federal district court is charged with liberally construing a petition filed by a pro se litigant to allow the development of a potentially meritorious case. *Erickson v. Pardus*, 551 U.S. 89, 94 (2007). When a federal court is evaluating a pro se petition the petitioner's allegations are assumed to be true. *De'Lonta v. Angelone*, 330 F. 3d 630, 630 n.1 (4th Cir. 2003). The requirement of liberal construction does not mean that the court can ignore a clear failure in the pleading to allege facts which set forth a claim currently cognizable in a federal district court. *Weller v. Dep't of Soc. Servs.*, 901 F.2d 387, 391 (4th Cir. 1990).

Furthermore, this court is charged with screening Petitioner's lawsuit to determine if "it plainly appears from the petition and any attached exhibits that the petitioner is not entitled to relief in the district court." Rule 4 of Rules Governing Section 2254 Cases in the United States District Courts; *see* Rule 1(b) of Rules Governing Section 2254 Cases in the United States District Courts (a district court may apply these rules to a habeas corpus petition not filed pursuant to § 2254). Following the required initial review, it is recommended that the Petition submitted in this case should be summarily dismissed.

### III. Discussion

Chapter 153 of Title 28 of the United States Code provides a statutory framework for federal post-conviction relief from judgments of conviction entered in federal and state courts. Under this framework, individuals convicted of crimes in state courts seek federal habeas corpus relief through 28 U.S.C. § 2254. *See In re Vial*, 115 F.3d 1192, 1194 (4th Cir. 1997) (footnote omitted). On April 24, 1996, the President of the United States signed into law the Anti-Terrorism and Effective Death Penalty Act of 1996 (the “AEDPA”) which, in part, amended Chapter 153. The AEDPA effected a number of substantial changes regarding the availability of federal post-conviction relief to individuals convicted of crimes in federal and state courts. Of particular importance here are the provisions of the AEDPA codifying and extending judicially constructed limits on the consideration of second and successive applications for collateral relief. *See Felker v. Turpin*, 518 U.S. 651, 657 (1996). Under the AEDPA, an individual may not file a second or successive § 2254 petition for a writ of habeas corpus (or the equivalent thereof) or a second or successive § 2255 motion to vacate sentence without first receiving permission to do so from the appropriate circuit court of appeals. *See In re Vial*, 115 F.3d at 1194.<sup>1</sup> The “gatekeeping” mechanism created by the AEDPA added section 2244(3)(A) to provide:

Before a second or successive application permitted by this section is filed in the district court, the applicant shall move in the appropriate court of appeals for an order authorizing the district court to consider the application.

---

<sup>1</sup> With authorization, Petitioner may be able to present a claim for the first time in a successive habeas petition where the claim relies on a new rule of constitutional law, *see* 28 U.S.C. § 2244(b)(2)(A), or, if the claim is based on newly discovered evidence, where the Petitioner can make a prima facie showing of both cause and prejudice within the meaning of § 2244(b)(2)(B)(i) and § 2244(b)(2)(B)(ii). *See Evans v. Smith*, 220 F.3d 306, 323 (4th Cir. 2000). Petitioner is advised that “[t]he grant or denial of an authorization by a court of appeals to file a second or successive application shall not be appealable and shall not be the subject of a petition for rehearing or for a writ of certiorari.” § 2244(b)(3)(E).

The issue of successiveness of a habeas petition may be raised by the court *sua sponte*. *Rodriguez v. Johnson*, 104 F.3d 694, 697 (5th Cir. 1997); *Latimer v. Warden*, NO. 6:10-721-JFA-WMC, 2010 WL 2720912 (D.S.C. July 8, 2010).

The Petition filed in this case appears to be a second and successive petition because it raises claims against the validity of the 2010 conviction that could have been brought in the first habeas case. *See Gonzalez v. Crosby*, 545 U.S. 524, 531-32 (2005). The Petition filed in this case should be dismissed as successive because Petitioner's procedural history in this court, as previously stated, shows that Petitioner has already filed one petition for writ of habeas corpus based on his 2010 York County second-degree burglary and grand larceny convictions, and that petition was dismissed by the court "with prejudice" under Federal Rule 41(b) for failure to prosecute. Under the specific language of that rule, that involuntary dismissal "operates as an adjudication on the merits" of the petition so dismissed. Fed. R. Civ. P. 41(b); *see Pugh v. Smith*, 333 F. App'x 478, 480 (11th Cir. 2009) (dismissal of initial habeas petition "with prejudice" made second petition "successive" and requiring authorization); *Latimer v. Warden*, No. 6:10-721-JFA-WMC, 2010 WL 2720964, at \*3 (April 14, 2010), *report and recommendation adopted*, 2010 WL 2720912 (D.S.C. July 8, 2010). As a result, the dismissal of Petitioner's first petition under Federal Rule 41(b) means that he needs authorization from the Fourth Circuit Court of Appeals before he can file another § 2254 petition in this court.

Because Petitioner did not obtain authorization from the Fourth Circuit Court of Appeals to file this Petition in the district court, this court does not have jurisdiction to consider it, and it is subject to summary dismissal without service on the Respondents. *See United States v. Winestock*, 340 F.3d 200, 205-06 (4th Cir. 2003); *Moody v. Maynard*, 105 F. App'x 458, 464-65 (4th Cir. 2004).

IV. Recommendation

Accordingly, it is recommended that the Petition for a Writ of Habeas Corpus in this case be dismissed *without prejudice*.

IT IS SO RECOMMENDED.

A handwritten signature in black ink, appearing to read "Kaymani D. West". The signature is fluid and cursive, with the first name being the most prominent.

May 10, 2017  
Florence, South Carolina

Kaymani D. West  
United States Magistrate Judge

**The parties are directed to note the important information in the attached  
“Notice of Right to File Objections to Report and Recommendation.”**

## **Notice of Right to File Objections to Report and Recommendation**

The parties are advised that they may file specific written objections to this Report and Recommendation with the District Judge. Objections must specifically identify the portions of the Report and Recommendation to which objections are made and the basis for such objections. “[I]n the absence of a timely filed objection, a district court need not conduct a de novo review, but instead must ‘only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.’” *Diamond v. Colonial Life & Acc. Ins. Co.*, 416 F.3d 310 (4th Cir. 2005) (quoting Fed. R. Civ. P. 72 advisory committee’s note).

Specific written objections must be filed within fourteen (14) days of the date of service of this Report and Recommendation. 28 U.S.C. § 636(b)(1); Fed. R. Civ. P. 72(b); *see* Fed. R. Civ. P. 6(a), (d). Filing by mail pursuant to Federal Rule of Civil Procedure 5 may be accomplished by mailing objections to:

**Robin L. Blume, Clerk  
United States District Court  
Post Office Box 2317  
Florence, South Carolina 29503**

**Failure to timely file specific written objections to this Report and Recommendation will result in waiver of the right to appeal from a judgment of the District Court based upon such Recommendation.** 28 U.S.C. § 636(b)(1); *Thomas v. Arn*, 474 U.S. 140 (1985); *Wright v. Collins*, 766 F.2d 841 (4th Cir. 1985); *United States v. Schronce*, 727 F.2d 91 (4th Cir. 1984).
